

ART AT AL-DABBAGH GROUP

Al Dabbagh

MESSAGE FROM OUR CHAIRMAN & CEO H.E. MR. AMR AL-DABBAGH

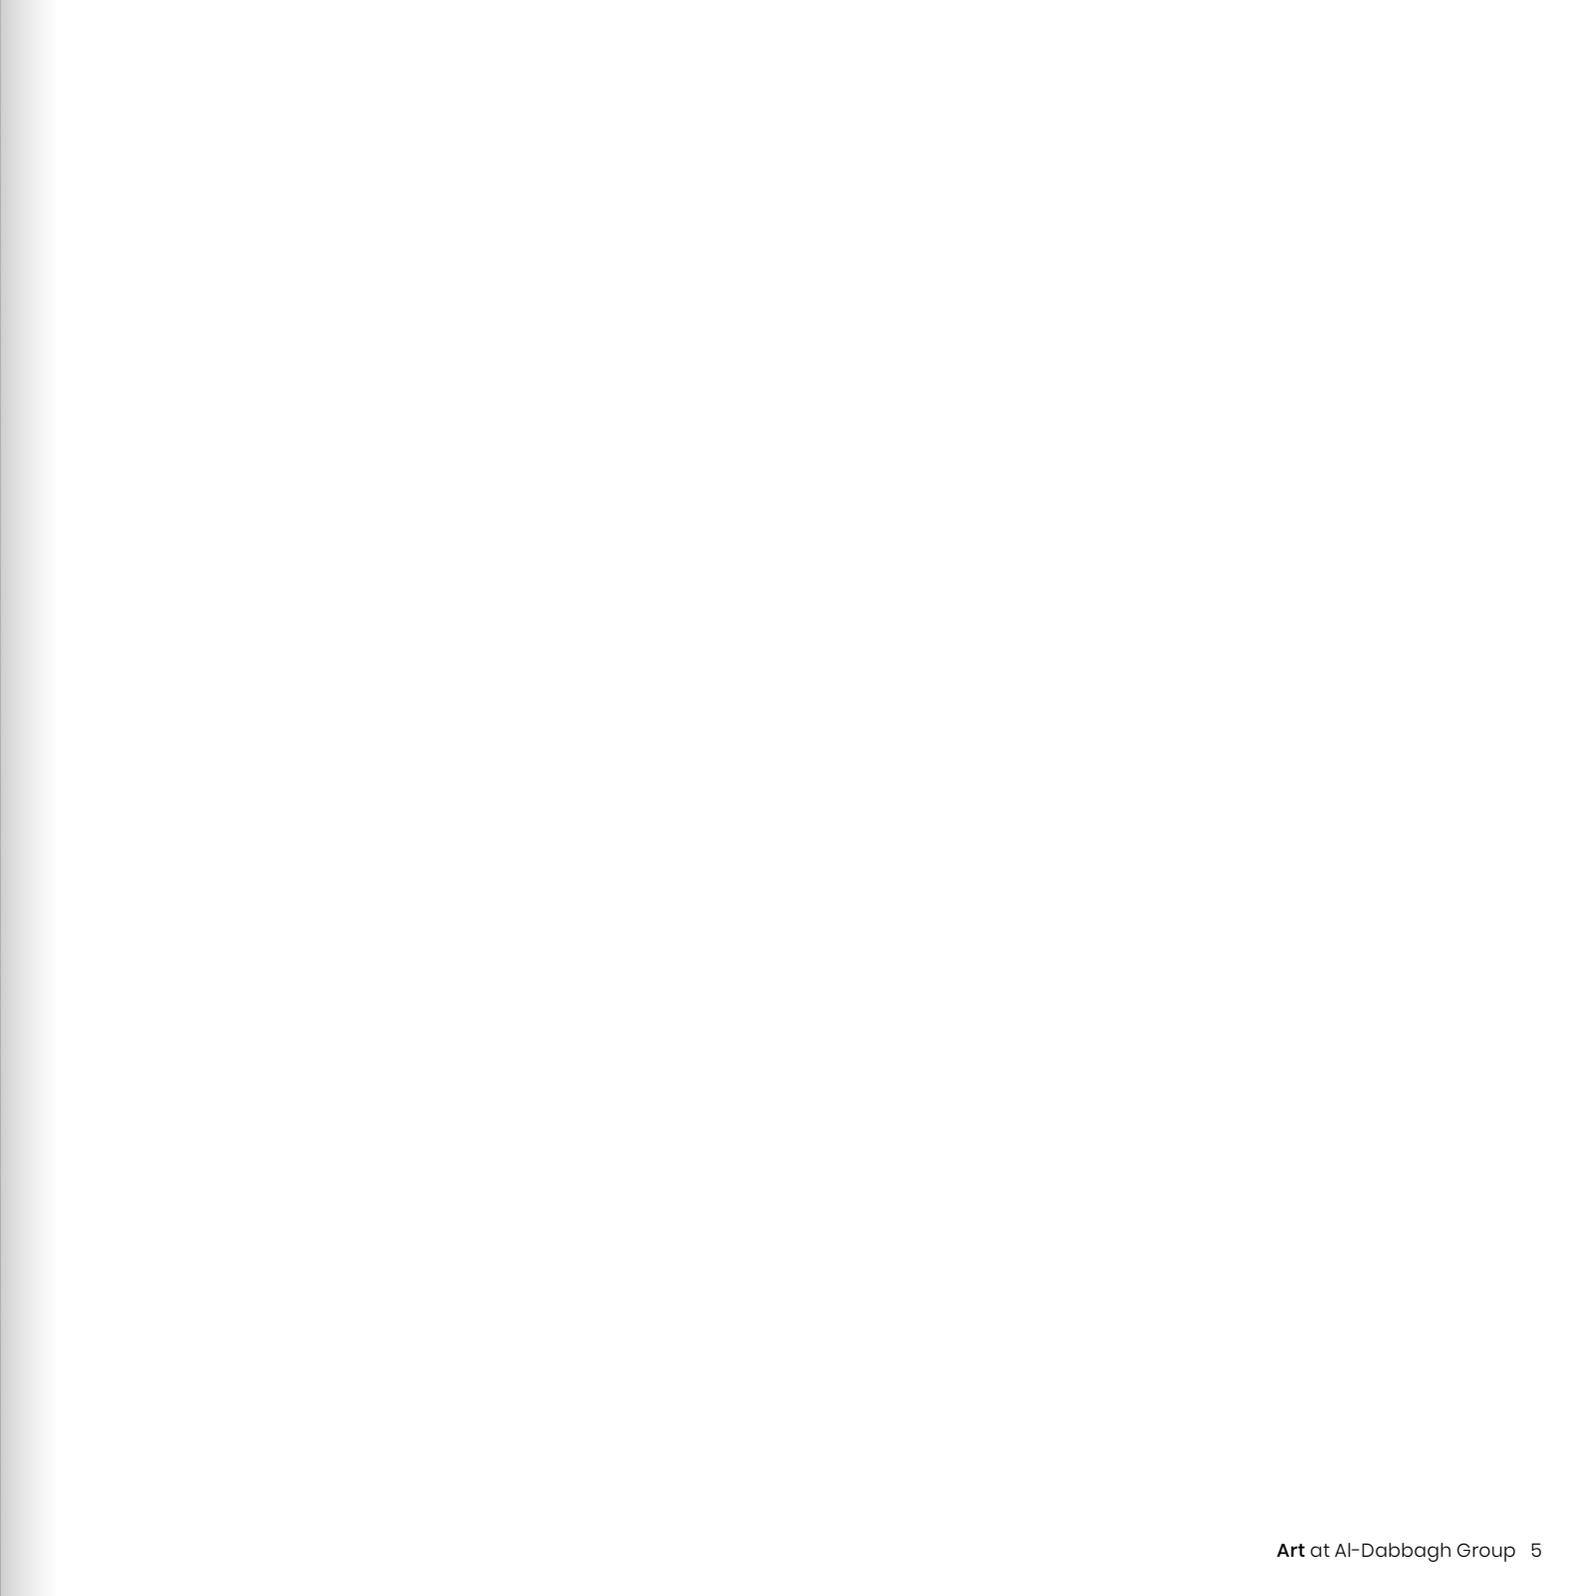

Welcome to ADG's Art Catalogue. As the legendary Pablo Picasso once said "the purpose of art is washing the dust of daily life off our souls". There are few descriptions that come so close to describing the wonder and relief that I personally feel when looking at artwork. Moreover, the positive impact that art has on people in a professional setting has been reiterated by scientific research again and again. Additionally, it has been proven that art can serve as a source of innovation and creativity, which in turn leads to a higher overall performance in the workplace.

Every day, we wake up and go about our daily routines without giving much thought to anything that is not on our immediate to-do list. With our ever increasing fast paced world, between work deadlines and personal obligations, moments of pause and reflection are hard to come by. At ADG we see art as a way to break up the monotony of our daily demands: so by displaying our corporate art collection throughout our offices, we hope to create a sense of community amongst colleagues and provide them with moments of respite through art.

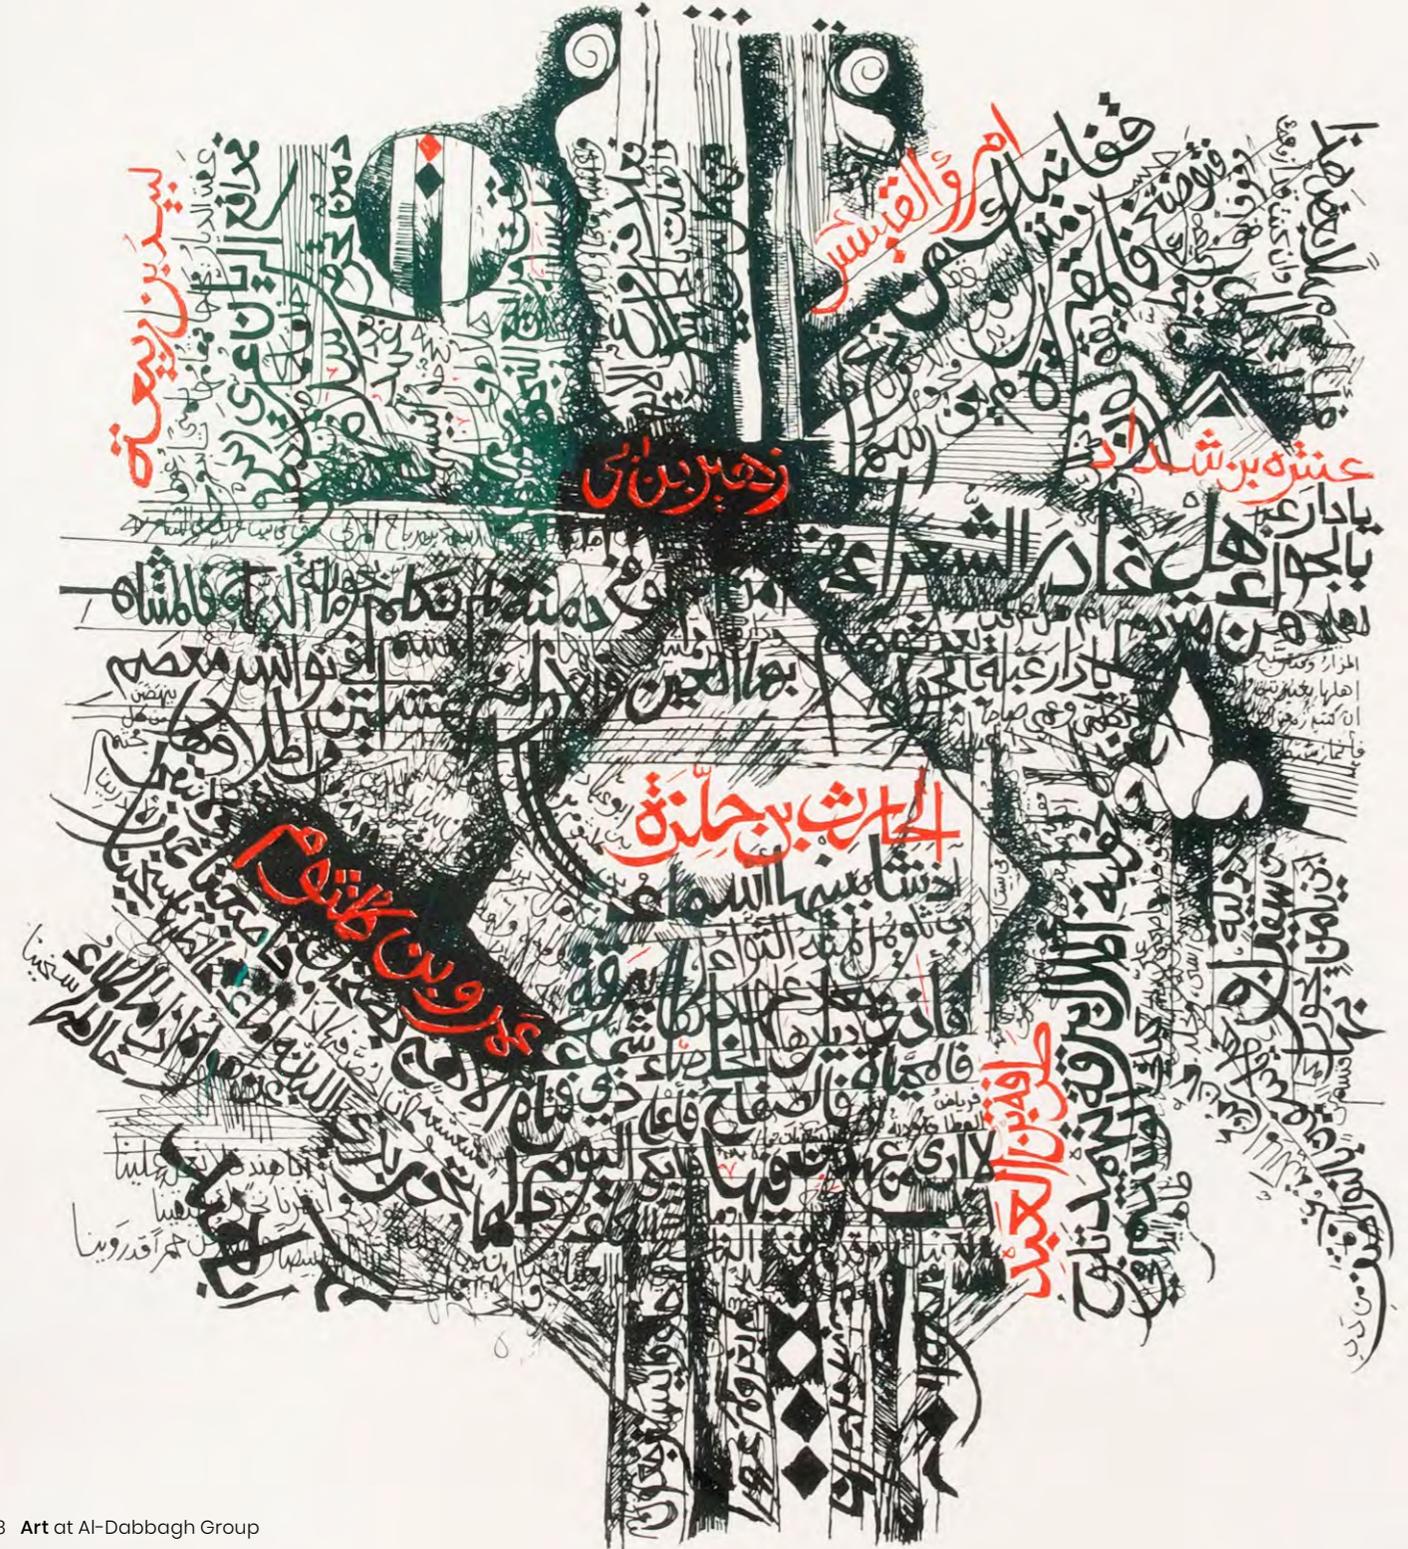

While the wellbeing of our colleagues is a priority, the art pieces we acquire serve another extremely important purpose: building an endowment for the future of our giving activities. Every artwork purchased is an investment in our capacity to serve our communities and give back in a meaningful way.

This catalogue lists all the current pieces of our collection and it gives us great pleasure to share them with you: we hope that you enjoy looking through it.
